Shopping at the Supermarket

Here I am at the supermarket. I am Sarah and I am with my daughter Claire. She loves supermarkets and I like them, too. The supermarket is on the second street just near our house. Today, we are going to buy many things.

Let me see... I like apples and coke, lets buy some! Claire prefers grapes and orange juice. For breakfast, I like much milk because it is very important, especially for children, I take two cartons. Claire likes yoghurts, many of them. I also like vegetables: lettuce and carrots. I do not like onions and Claire does not like onions, too, so I do not buy them. I like meat and fish, let's buy one kilo each.
