

You are on an island on holiday. Describe the landscape and your feelings about it.(writing a post card)

نجاحك يهمننا

*I am really enjoying my stay here as everything is amazing and beyond my expectations.

*Anyone dreams to be in this place, it is a heaven on earth

*The weather is great here; it is always sunny and birds are always twittering and chirping.

*The landscape is breathtaking; lawns are everywhere.

*Rivers and waterfalls are sparkling and everything is green around me.

*People here are hospitable, kind and very friendly. In case of loss, they lead you wherever you want.

*If only I were born here!

*It is an opportunity not to be missed.

*I feel tingling with excitement as I am living the best experience ever.
