Dear Kirsi

I've found your address on the internet, so I am writing to you, but first let me introduce myself

My name's Brian. I live with my family in New York, There are six members in my family. My Mother does not work. She takes care of the house .my father works in an office. He's an accountant. Everyday, my mother and I wake up at 6:30, .my father and brother Ted never wake up before 7.am,my school is a bit far from my home so I always ride my bicycle to get there. Ted who is a student at the department of economics usually takes the bus to university. My father goes downtown on foot. He works hard all day. He takes one hour for lunch.

USA is a very large country in the American continent. It is bordered by Canada in the north; Mexico in the south, the Pacific Ocean in the west, and the Atlantic Ocean in the east. It's famous for the Statue of Liberty. Winter is extremely harsh, but summer is cool and beautiful. In summer, I like going to the beaches of Florida because I spend a nice time there.

Well that's all for now, keep in touch

Brian
