Listening Passage

Dinner Time

Dinner Time

Hi, I'm Randall. And I'm here in our kitchen, getting ready for dinner. Often, people think that in America (the United States), people only eat fast food; however, in our family, we usually have dinner, perhaps around 7:00 o'clock in the evening. And, uh, we have a variety of foods. Right behind me, we have some Mexican food, some fajitas, but we probably eat fish once a week. We have beef, we have pork. A lot of different things including salads. Uh, we eat together as a family; we just think that's important to build our family relationships. And so, I'm just getting ready here to enjoy dinner in a few minutes.
