Ethan loved pizza, fries, milk shakes and cola.

"You can't keep eating this food!" Ethan's mom complained.

"why? it tastes so good". He replied

His mother frowned.

"You eat too much sugar. Look at your breakfast: juice, krispies and a donut".

Ethan took a bite of his donut. He chewed and then stopped when his teeth began to ache.

"See? You must go to the dentist".

"That's not fair! I can't eat broccoli forever I'm not a rabbit".

"I know but you don't get vitamins and minerals from junk food. You need healthy food for your teeth, eyes and even your brain".

Ethan didn't want to agree, but he really didn't like trips to the dentist.
